About the Alta Collection

Inspired by photographers and outdoor enthusiasts around the world, the Alta Collection was created based on extensive, in depth research and the utilization of the most advanced engineering programs to date.

With the Alta Collection Vanguard aims at improving the photographer's experience, by offering individual products that can also be used in combination with other Alta items. Featuring the "Alta Link", exclusively provided by Vanguard. This collection introduces the best performance and design in Tripods and bags and offers a range of products that cater to DSLR, drone and mirrorless camera gear.

ALTA is already a global award-winning collection showcasing new features and innovations that provide freedom to push your creativity limits!

ALTA PRO 2+

reddot award 2017
winner

Introducing the new Alta Pro 2+ tripod from Vanguard. Alta Pro 2+ reaches a new level of innovation and versatility. This distinctive tripod series is like nothing we've ever made. The Alta Pro 2+ has been completely re-engineered by a team of German designers. The legs are crafted from new materials that provide greater stability and lightweight performance. With the new rich, matte anthracite finish and sleek lines the Alta Pro 2+ looks just as amazing as it performs.

VEO

COLLECTION

VEO TRIPODS & MONOPODS | VEO DISCOVER | VEO TRAVEL

About the VEO Collection

With an emphasis on lightweight, durable construction and slim silhouettes, The VEO Collection of bags, tripods and monopods is adventure oriented and perfectly fitted for the travel photographers' every need in transportation and support.

The collection is ideal for mirrorless camera users, but as it does offer advanced features and capacity variation, it is also a great option when using a more robust, full-sized camera, which is something of a departure from more traditional travel gear ranges to date.

The VEO Collection is the ideal option for photographers looking to minimize luggage and maximize impact.

VEO²

With the new range of VEO 2 tripods, Vanguard has paid particular attention to details, focusing on the users' travel experience to ensure that VEO remains the industry's leading travel tripod. Fitted with advanced engineered twist locks, VEO 2 does not compromise on stability or work load capacity, yet it's a lighter tripod than its previous generation.

ABOUT VANGUARD

Vanguard is a global company that designs and manufactures tripods, bags, sporting optics, and accessories. For over 30 years, our drive to disrupt mediocrity and commitment to innovation has allowed us to create the highest quality products for photographers and outdoor enthusiasts at an affordable price.

Total product ownership - from idea to finished product - for unmatched quality control. Growing into a global leader since its founding in 1986, VANGUARD provides more than our competitors because we are the factory. There are no third-party factories, development or design firms or other outsourcing of any kind in the process. More than 1,000 Vanguard employees create the products and power the brand within our robust global operation. Every step of the process is orchestrated by Vanguard's in-house R & D, production, administration, marketing and sales teams in Vanguard owned and controlled facilities. This enables us to ensure standout product quality and to eliminate "middle men." The result is money saving for customers, higher margins for retailers and greater efficiency in direct communication with the manufacturer for everyone.

WARRANTY INFORMATION

Vanguard offers extended warranties on most of its products. With a few mouse clicks, you can register your new product online at www.vanguardworld.com. After registering your warranty you will also have access to the latest savings, promotions, company and product news, just choose to receive future emails from Vanguard.

Starting in 2017, Vanguard will have a Lifetime Warranty on all camera bags.

This Limited Lifetime Warranty covers defects in materials and workmanship for the practical lifetime of Vanguard products. This limited lifetime warranty does not cover damage caused by normal wear and tear, improper care, misuse, accident, neglect, or the natural breakdown of materials over time.

To report a warranty claim, please contact customer service through the Warranty tab located under the Support section at vanguardworld.com. Please include your telephone number or email address so that we may contact you.

Vanguard warranty policies do differ around the world. Please visit vanguardworld.com and select your country website to locate the Vanguard Distributor closest to you.
